

# TBEA 2012 Conference Call for Proposals/Presentations

TBEA invites proposals for presentations from all its members for the 2012 TBEA Conference to be held in Murfreesboro on September 21 and 22, 2012. A proposal is a request from current TBEA members at the middle, secondary, or postsecondary levels or state business education supervisors to lead or participate in a special interest session during the conference.

Possible session topics for this year's program may include Entrepreneurship; Best Practices: Tips & Tricks; Online Learning and Distance Education; MS Office 2010 Software; Certification; Youth Organizations; New Technologies including YouTube, Facebook and Twitter; Innovative Teaching/Learning Strategies in the Classroom; Business Etiquette; eTeams in Business; State Department/Legislative Update; Accounting Education; Parliamentary Procedure; Internationalizing the Curriculum; Engaging the 21st Century Learner; Economic Education Update; and various roundtable discussion topics. This is your chance to share your personal interests and expertise with your state colleagues.

Conference presentations are typically 45 – 60 minutes in length; if possible, presenters should plan to bring their own multimedia equipment. The conference will provide a table, electricity, power strips, and screen/display area for the presentation.

Please consider supporting your state business education association by presenting a session (or volunteering to lead a roundtable discussion) at the 2012 TBEA Conference. To make a proposal, please specify the following in an email to Dr. Sherry J. Roberts, TBEA President-Elect, at [sherry.roberts@mtsu.edu](mailto:sherry.roberts@mtsu.edu) by **June 15, 2012**.
